**RE: 2nd Trimester Grant Awards to Schools from PTA Fundraising**

Each year the PTA strives for fiscal responsibility with funds raised through volunteer leadership and parent support. We spend a considerable amount of time planning and organizing our yearly fundraising efforts for the good of our district children and those that educate and care for them each day at school. The same planning and effort goes into the allocation of the grant awards.

Our grant program provides discretionary funds to staff to enhance the educational experience for students in our district. The funds are intended to cover areas not covered by existing budgetary allotments or dedicated funds. We are proud to present the following second trimester grant awards for a total of \$2,303.75:
