Dear Parents,

The Hamilton Township Public Schools will be closed due to the COVID-19 Pandemic. Please have your child view their teacher's home page on the hamiltonschools.org webpage on Monday afternoon to look for their on-line homebound instruction lesson for Monday. You should also expect to receive a paper and pencil packet in the mail on Tuesday. Upon receiving the packet, please have your child begin the enclosed lessons through Friday, 3/20/2020. On Friday, on-line homebound instruction lessons will be available for your child for the duration of the school closure. You may also check on-line throughout the week, in the event your child's teacher posts additional supplementary on-line material.

School webpages are listed below for your reference:

William Davies Middle School – davies.hamiltonschools.org
George Hess Educational Complex – hess.hamiltonschools.org
Joseph Shaner Elementary School – shaner.hamiltonschools.org

Beginning Friday, teaching staff will post daily assignments and learning materials to their school based hamiltonschools.org webpage no later than 9:30 am. Students can submit their completed online assignments to their teachers via email and/or Google Classroom.

If technology is limited or not available, assignments will be submitted to the teacher(s) on the next regular day of school. If your family does not have internet access or the technology to complete the online home-instruction assignments, please call 609-476-6137 for additional information. At this juncture, we do not have an exact time frame for how long the District will be on home-bound instruction. On or about April 20th, a determination will be made as to the status of the school closure.

You should note that the District will be providing bagged meals to eligible students on Tuesdays and Fridays at the Davies School from 11:00 am until 1:00 pm. Details for meal distribution can be found on our district website at www.hamiltonschools.org. We will also use the District's website, as well as "School Messenger" to keep you and your family informed of any updates. If you have any special dietary requests, please email trackmanb@hamiltonschools.org.

Allow me to share with you that the District is taking extraordinary and unprecedented measures to make every effort to ensure the continuity of instruction to the children of Hamilton Township. Working together we will strive to meet the challenges we face as a school family.

We look forward to having the opportunity to work together to do what is best for kids.

Sincerely,

Frank Vogel
