Superintendent Search

Students, Parents, Community & Staff Input

The Board of Education invites you to participate in providing valuable input for the superintendent search process that is in progress. Our search consultant, Mary Ann Friedman, of the New Jersey School Boards Association, has developed two Survey Monkey tools to accomplish gathering community and staff input. Information gathered will be used to shape a variety of candidate review documents and the interview questions.

All input is **anonymous** and will be provided to the board to assist them in:

- selection of candidates to interview,
- development of interview questions, and
- selecting the finalist.

Students, parents and community members are invited to click on the COMMUNITY Survey link below.

Staff members are invited to click on the STAFF Survey link below.
