V. Notice of Advertisement of Meeting

This meeting is being held in compliance with the Sunshine Law, having been advertised in the Press of Atlantic City, the Atlantic County Record, The Current of Mays Landing and notices posted at the Township Clerk's Office, Mays Landing Post Office, Atlantic County Library, as well as all the schools of the district. A mechanical device is being used to record this meeting and this meeting is also being video-taped.

There are two opportunities to address the members of the Board. The Board values and welcomes comments and opinions from residents as long as remarks are not personal or discourteous. The public comment portion of the meeting allows the Board to listen to community members and to hear their opinions on school policy and operations.

The first public portion is reserved for persons wishing to speak about agenda items only. The second opportunity, following the action items, is when residents may address the Board on any school-related issue. Each speaker is asked to limit their comments to three minutes and you are not permitted to yield your time to another. The public comments portion of the meeting, during both sessions, will not exceed 30 minutes. Upon being recognized, persons wishing to speak should stand and identify themselves by name and address.

It may appear to the public that the Board of Education takes action with very little comment and in many cases a unanimous vote. Before motions are placed on the agenda, the administration thoroughly reviews the information with the Superintendent of Schools. If the Superintendent is satisfied that motions are ready to be presented to the Board of Education, it is then referred to the appropriate Board Committee for discussion. The members of the Board Committees work with the Superintendent to assure that all members are fully briefed on all pertinent details and understand the motions. When the Committees are satisfied with the motions, they are then placed on the agenda for action at a public meeting.
